

THE BIRCHTREE CENTER
THE INTEGRATIVE HEALING ARTS PROGRAM
 Session Two: Integrative Modalities and Caring-Healing Best Practices
 Carmel Retreat Center
 February 23-26, 2012 ~ Mahwah, NJ

The Integrative Healing Arts Program is an opportunity to revitalize your nursing practice and rejuvenate your body, mind and spirit. In Session Two we expand our knowledge of the seven core curriculum areas as we consider the introduction of integrative modalities within the framework of holistic nursing practice. You will study an 8 hour module of Clinical Aromatherapy for Nurses. This is a time to consider what the full potential of your nursing practice can be. Integral with the learning experience is the inclusion of time for inner reflection, relaxation and connection to a supportive community of nurses. **Session Two provides 31.5 continuing education contact hours.** Participants who wish to achieve a Certificate in Integrative Nursing can do so by also completing Sessions Three and Four.

The program will be held at Carmel Retreat Center, a 30 acre forested and landscaped country estate that is adjacent to a wilderness preserve and nestled in the rolling Ramapo Mountains of northern New Jersey. This retreat center provides quiet serenity and a comfortable, reflective atmosphere. It is 45 minutes from Manhattan and 2 hours from Philadelphia and is close to both bus and rail lines. Massage and yoga will be available. This is a sacred place to truly nurture your body and soul. Give yourself the opportunity to relax, renew and learn in a peaceful natural environment. Directions will be provided with confirmation letter upon receipt of registration.

Program begins Thursday, February 23rd at 9:00am & concludes Sunday, February 26th at 1pm
